Potassium Cubes

DISCOVER THE POWER OF POTASSIUM CHLORIDE

Nature's Own® water care helps deliver the benefits of soft water to your family and home. An alternative to sodium chloride, Nature's Own cubes are made with potassium chloride and are safe for use in all traditional water softener systems unless otherwise specified by the system manufacturer.

- High-quality potassium chloride cubes designed to help deliver the benefits of soft water for sodium-conscious families
- Provides a source of potassium in your drinking water
- For use in all traditional water softener systems unless otherwise specified by the system manufacturer, when used as directed
- Certified to NSF/ANSI/CAN 60 by NSF, a leading independent public health and safety organization
