SafeStep®

SurePaws® PET-FRIENDLY ICE MELTER

An alternative to sodium chloride ice melters, Safe Step® Sure Paws® deicer contains ingredients that are gentler on pets' paws while quickly melting snow and ice, even in extreme weather.

KEY FEATURES:

Melts ice down to -15°F | -26°C

Lower impact to your pets and the environment*

Developed with a blend of magnesium chloride and potassium sulfate to be gentler on pets' paws, concrete and vegetation.*

Goes above and beyond other ice melters

Delivers exceptional ice melting performance in a patented formula that helps prevent stains on carpets if tracked indoors on paws and shoes.

*Compared with conventional ice melters, when used as directed.

Active Ingredients: Magnesium Chloride Hexahydrate, Potassium Sulfate
